- [Exclusions apply.](#)
- [All skills licences and QA services are subject to QA Learning Terms and Conditions and SaaS Terms and Conditions which are available at: <https://www.qa.com/legal-privacy/>](#)

## Free training days or Free online learning

- Offer applicable either to Free training days or Free online learning.
- Free training days only apply to portfolios: MLPE, Data & AI, Cloud, Digital Productivity & Office Applications, Software Engineering.
- The offer may be redeemed with a mix of Free training days and Free online learning.
- Skills Licence must be paid in full before any bookings can be made for Free training days or Free online learning.
- All Free training days and Free online learning must be booked and attended within the term of the Skills Licence and can only be booked following full spend of the Skills Licence.
- Free training days and Free online learning do not include examinations. Where applicable, these need to be purchased separately and may be paid for using the Skills Licence.
- The chosen courses may be attended by different learners within the same company.
- Free training days apply to confirmed QA public scheduled events run at QA training centres or virtually only.
- Free training days must cover the full duration of a course and cannot be used in lieu of payment for a longer course.
- The number of free training days that can be redeemed on a single course event is subject to QA's discretion.
- Free of charge bookings on QA's public schedule are final. If a course is subsequently cancelled or re-scheduled by the delegate, the offer will no longer be available.

- Free online learning applicable only to the following titles and course codes:

Course Code	Course Title
